The Freedom of the Will; As a Basis of Human Responsibility and a Divine Government. By D. D. Whedon, D. D. 12mo. 438 pp. $1.25.

This investigation is written in a lucid and forcible style. It indicates great familiarity with the history of the controversy, and is an important contribution to its discussion.—*American Literary Gazette.*

The friends and admirers of Dr. Dempster will be pleased to learn that this volume contains his best lectures and addresses delivered on various occasions; and they will find in it more of the *living man* than is usual in such works. The Doctor's peculiar style is richly illustrated in these efforts of his mature life.

Outposts of Zion; with Limnings of Mission Life. By Rev. W. H. Goode. 12mo. 464 pp. $1.25.

The pictures all dashed with the roughness and adventure of the frontier, but receive a mellow tinting from the labor of love in which the author was engaged. . . . By the pioneer's hearth-stone, or by the trapper's camp-fire, or in the Indian's wigwam, or in the miner's shanty, or under the shadow of the Rocky Cordilleras. . . . Graphic, yet not extravagant; flush with life-tints, yet any thing but imaginative; statistical, but not juiceless, and without foliage, and flowers.—*Indianapolis Daily Gazette.*

Jottings from Life; or, Passages from the Diary of an Itinerant's Wife. By Helen R. Cutler. 16mo. 283 pp. 75 cents.

Extracts from the Diary of a Country Pastor. By Mrs. H. C. Gardner. 16mo. 240 pp. 75 cents.

These two books are companion volumes, and supplement each other. Though alike in their character, they differ in their execution, and each presents phases of itinerant life which the other omits. No person should get one without procuring both. They are entertaining, instructive, and thoughtful, and their perusal will teach more consideration for the labors and difficulties of the pastoral office. "These pastoral sketches," says the Boston Recorder, "have the merit of fact as distinct from fiction; are imbued with religious feeling; and turn the kaleidoscope of life in many attractive ways. It is a good idea to preserve such notices of ministerial labors and experiences."

REPORTS OF COMMITTEES.

REPORT ON EDUCATION.

THE Committee on Education offer the following as their report:

All advancement in civilization is by instruction.

The human mind uneducated is impotent, defenseless, and liable to be decoyed into the paths of evil passions, and enslaved by infidelity and inhumanity.

A parent who willfully neglects to educate a son or daughter fails to discharge one of the highest duties of his probation, and robs his offspring of the treasure of learning, for which there is no substitute.

A Church that will not provide for the education of her youth by the organization of superior schools, seminaries, colleges, and universities, supplied with model Christian teachers, may expect her sons and daughters to become the victims of delusions, or, like bees swarming from an unhealthy hive, to go with their treasure, talents, and influence to other organizations, more zealous in the cause of learning.

Indiana Asbury University.

This institution, during the past year, has enjoyed increasing prosperity. The members of the Faculty are eminently qualified for the responsible positions which they occupy, and to their care Indiana may safely intrust the education of her sons.

Resolved, That J. S. Ferris be re-elected Trustee, and that A. Eddy and N. Gillam be appointed Visitors.

Resolved, That we recommend that the preachers co-operate with Trustees as agents, according to the request of the joint Board.

Resolved, That we recommend our cherished University to the confidence of the people.

North-Western University.

This institution has a reliable endowment, a good Faculty, and a liberal patronage.

Resolved, That we commend this University to the confidence of the people.

Resolved, That R. D. Robinson be re-elected Trustee.

Garrett Biblical Institute,

So far, has been very successful, is well endowed, and promises great good to the Church.

Resolved, That we commend this institution to the attention of our young men who feel called to the work of the ministry.

Resolved, That Rev. W. S. Birch be appointed Visitor.

Fort Wayne College.

This institution has an eligible position, good buildings, an increasing patronage, and her financial interests are improving.

Resolved, That we will co-operate with the Trustees in advancing the interests of the institution.

Resolved, That F. A. Sale, W. F. Hemenway, and John Hill be appointed Visitors, and that the Bishop be requested to appoint R. D. Robinson President, and Thomas Comstock Professor.

Whitewater College.

This institution is in a prosperous condition, the Faculty is well organized and efficient, and the attendance of students has been very good, both as to numbers and character. The institution affords especial attractions for the education of young ladies.

Resolved, That we will co-operate with the Trustees and Faculty in the promotion of this noble enterprise by increasing the patronage of the institution.

Resolved, That A. S. Kinnan, A. Marine, and S. H. Rhodes be appointed Visitors, and that the Bishop be requested to appoint W. H. Barnes President.

Farmers' Academy.

The financial liabilities of this Academy have been provided for, and the Trustees are confident of success.

Resolved, That John H. Peyton and A. G. M'Carter be appointed Visitors, and that the Bishop be requested to appoint Joshua E. Ervin President.

R. D. ROBINSON, *Chairman.*

W. H. BARNES, *Secretary.*

REPORT OF VISITORS

Appointed to Attend the Twenty-fourth Anniversary of Indiana Asbury University.

THE charter of the University requires the Conference Visitors to report to their respective Conferences the condition of the institution, and whether it is conducted in conformity with its charter. In compliance with this requirement, the Visitors submit the following report:

The number of students the past college year has not been so great as in some former years; but explanation is found in the patriotism of the young men of our State, which prompted so many thousands of them to spring to arms in their country's defense. Fifty or sixty left the University for the army, and many entered the army from their homes who would have entered the University; so that only one hundred and ninety-nine have been in attendance, eight of whom compose the graduating class.

The financial condition of the University is about the same as last year, no addition worth mentioning having been made to the capital stock. The college and grounds are free from incumbrance, and the

income from investments has been equal to expenses. The endowment fund amounts to ———, of which only about $67,000 is active capital; the remainder consists of lands and notes. The lands are situated principally in Stark and St. Joseph counties. It was resolved by the joint Board to make a vigorous effort, the coming year, to sell these lands and collect the notes.

The Board having discontinued the traveling agency, the members of the Faculty, the presiding elders of the four Indiana Conferences, together with such traveling preachers of said Conferences as would cooperate with them, were empowered to sell scholarships, and receive money or notes thereon, which receipts they are instructed to forward to the Treasurer, David Macy, Esq., at Indianapolis.

The following changes were made in the Faculty:

Professor B. T. Hoyt was transferred from the Professorship of the Latin Language to the Professorship of Belles-Lettres and History.

Dr. J. A. Reubelt was elected to the Professorship of the Latin and German Languages, and Professor L. L. Rogers was elected Adjunct Professor of Latin and Principal of the Preparatory Department.

The Law Department was discontinued by the Board.

The Faculty had a public examination of the classes at the close of the college year, which was careful and critical, and showed that the students had been thoroughly drilled in their various studies. We take pleasure in saying that the University is blessed with an able Board of Instruction.

The charter requires the annual examination of the classes to be made in the presence of such Trustees as are able to attend. For reasons not given, none of the Trustees were present to witness the examinations, and but three of the Visitors.

Special attention is called to the election of Dr. J. A. Reubelt to a Professorship in the University, as this is intended to be the beginning of a permanent German Department. Dr. Reubelt has been assisting Dr. Nast in the translation of his Commentary, and is known to be a ripe scholar. This will supply a long-felt want, and, it is confidently expected, will direct the attention of the German Methodists to the University, and secure their interests in its support. A. FELLOWS, *Secretary.*

REPORT ON MINISTERIAL SUPPORT.

THE Committee on Ministerial Support beg leave to submit the following report:

Whereas, the general advance of prices has increased the cost of living from fifty to seventy-five per cent. within the last two years; and, whereas, many of our ministers have suffered great financial embarrassment in consequence of inadequate support; therefore,

Resolved, That the presiding elders be, and are hereby, requested earnestly to urge upon all the quarterly conferences the imperative necessity of increasing allowances, to correspond with increased expenses; and,

further, that the following address be printed immediately, and copies of the same be placed by the ministers in the hands of the Estimating Committees, before the estimates for the ensuing Conference year shall be made.

ADDRESS.

To the Estimating Committees and Quarterly Conferences in the North Indiana Conference:

DEAR BRETHREN,—The necessities of the times make it proper that we should address you directly on the subject of ministerial support. We respectfully submit for your consideration the following facts:

1. Within the last two years the expense of living has increased from fifty to seventy-five per cent., and the tendency of prices is still upward. Four hundred and fifty dollars then was as good as seven hundred dollars is now.

2. Some of our best men have already been compelled to locate for want of adequate support.

3. The Discipline requires that you estimate a comfortable support, and not what the charge is able to pay. Should it be impossible to reach the amount estimated, let the deficiency be shown, as it should be, in the Conference Minutes.

4. Should there not be a proper advance in allowances, many of our ministers will be compelled to leave their fields of labor for other employments, in order to support themselves and families.

We earnestly request that you make your estimates in view of these facts, increasing the amount to correspond with the advance of expenses in living.

When the estimates are made, we suggest that you at once adopt the Conference or some other financial plan. *Have a plan*, and work by it promptly and faithfully. By adopting these suggestions, we doubt not but your ministers will be properly supported, and that the blessing of God will rest upon their charges. J. V. R. MILLER, *Chairman*.

C. N. SIMS, *Secretary*.

REPORT ON THE STATE OF THE COUNTRY.

THE Committee on the State of the Country present the following resolutions:

1. *Resolved*, That we reaffirm and stand by the antislavery position of the Methodist Episcopal Church, which was so clearly and emphatically expressed by the founder of Methodism, to wit: "*Slavery is the sum of all villainies;*" and that we are in favor of, and will rejoice in, its entire extirpation from the land.

2. *Resolved*, That our confidence in the triumph of truth, justice, and righteousness, as a result of this terrible and deadly contest, is unabated; and we rejoice in the prospect that, when peace shall come, the minister of the Gospel can publish the glad tidings of salvation without "let or hinderance," East, West, North, and South.

3. *Resolved*, That in this time of National trouble, in order to meet our obligations to God, the Church, and our country, we should, as Chris-

tian ministers, enjoin upon all our people submission to "the powers that be," and the necessity of standing firmly by the Chief Magistrate in all his measures to crush the wicked rebellion inaugurated by that infamously wicked institution, human slavery; and that no minister is justified in remaining silent on these great questions, thereby bringing upon himself justly suspicions of disloyalty; and that we can have no confidence whatever in any minister who will not, upon all proper occasions, speak out fearlessly in behalf of our Government while engaged in this fearful struggle for constitutional liberty.

4. *Resolved*, That we pledge our sympathies to, and our prayers for those in authority, for our brave soldiers in the field, hospital, and prisons, and for their families who are sacrificing so much to sustain our beloved Government. A. MARINE, *President.*

REPORT ON THE FREEDMEN'S AID COMMISSION.

THE Committee on the Freedmen's Aid Commission submit the following report:

Whereas, the advance of the Federal armies into slave territory, in connection with the President's Emancipation Proclamation, has freed a great many of the slaves in said territory, many of whom, if not all, are in a state of destitution, and must suffer if they are not assisted by individual contributions, the Government having failed fully to provide for them;

1. *Resolved*, Therefore, that we, members of North Indiana Conference, deeply sympathize with said sufferers, and heartily commend the Freedmen's Aid Commission to the sympathy and patronage of all lovers of freedom, patriotism, and religion.

2. *Resolved*, That we will co-operate with and assist any duly-authorized Agent for said Commission; also, that we invite Rev. Z. S. Clifford, of the Southern Illinois Conference, and Agent of said Commission, to address the Conference at a suitable time; and that we take collections for said Commission in our charges. S. LAMB, *President.*

N. GILLAM, *Secretary.*

REPORT ON THE TRACT CAUSE.

THE Committee to whom the Tract Cause was referred beg leave to submit the following:

We regard the Tract Cause as a strong arm of power in advancing the interests of the Redeemer's kingdom. We are gratified at the increased interest on the subject, as indicated in the Circular of the Tract Society.

Our collections this year exceed those of the past about one hundred and twenty-five per cent. While this is very encouraging, it is a lamentable fact that only about one-third of the circuits in the Conference reported collections for this purpose.

We urge upon our brethren the importance of attending strictly to this department of our work. G. W. BOWERS, *Chairman.*
F. T. SIMPSON, *Secretary.*

REPORT ON TEMPERANCE.

THE Committee on Temperance would submit the following as their report:

Whereas, it is evident that intemperance is greatly on the increase in our country, and the youth of our land are thereby greatly exposed to its baneful influence; and, whereas, the Word of God declares plainly that no drunkard can enter the kingdom of heaven;

Resolved, That we will, as heretofore, give our constant support and influence, both in the pulpit and out of it, for the suppression of this monster evil, and prevent its tide from flowing any further.

W. R. EDMONDSON, *Chairman.*

REPORT ON THE SUNDAY SCHOOL CAUSE.

YOUR Committee offer the following as their report:

Resolved, That we hail with gratitude the success of this cause in its specific work.

Resolved, That the means for greater efficiency should be increased.

Resolved, That all preachers in the employ of the Conference be required to lift collections for its support.

O. P. BOYDEN, *President.*

REPORT OF JOINT COMMITTEE ON THE PREACHERS' AID SOCIETY.

We, the undersigned, at a meeting of the Committee appointed by the South-Eastern, North, and North-Western Indiana Annual Conferences, for the purpose of considering the propriety of dividing the funds of the Preachers' Aid Society, held at Indianapolis, August 29, 1863, do hereby agree to submit the following preamble and resolutions to the said Conferences for adoption:

Whereas, the Indiana Annual Conference, since the organization of the Preachers' Aid Society, has been divided into four Conferences, making it impossible to hold the annual meetings of the Society at their annual sessions, and thereby rendering it almost impossible to get a sufficient number of members present to transact the business and elect the officers, to whom very important interests are committed, such as controlling a fund of over twelve thousand dollars, and distributing its proceeds; and, *whereas*, the old men who organized the Society are fast passing away, and unless the membership be soon increased it will soon run out; and, *whereas*, if the funds were divided equally among the several Conferences, and the annual meetings be held at the times and places of the several Annual Conferences, the membership and the amount of funds might be greatly increased, and the safety of the same thereby perpetuated; each Conference creating its own society, and controlling it, by the same charter and constitution, which would secure the application of said funds, and the proceeds thereof, according to the charter; therefore,

1. *Resolved by the North-Western Annual Conference*, That we, the members thereof, do recommend to the officers and managers of the Preachers' Aid Society of the Indiana Annual Conference of the Methodist Episcopal Church that they proceed, at their earliest convenience, to divide equally among the four Conferences the funds of the said Preachers' Aid Society, setting off one-fourth thereof to the order of the South-Eastern, one-fourth to the North, and one-fourth to the North-Western Indiana Annual Conferences, to be by them controlled in accordance with the Constitution and charter of the said Society.

2. *Resolved*, That we, as a Conference, do hereby bind ourselves to control the funds of the Preachers' Aid Society that may be set off to our Conference, in accordance with the said charter and Constitution, so as to fully carry out the original design of the donors of the said funds, and that the receipt of any member appointed by the Conference to receive the said funds will be a sufficient voucher to the Board.

CONSTITUTION

OF THE PREACHERS' AID SOCIETY OF THE NORTH INDIANA CONFERENCE OF THE METHODIST EPISCOPAL CHURCH.

ARTICLE I. The corporate name of this Society shall be "The Preachers' Aid Society of the North Indiana Conference of the Methodist Episcopal Church," and is organized under the provisions of an act of the Legislature of the State of Indiana, entitled, "An act concerning the organization of voluntary associations, and repealing former laws in relation thereto," approved February 12, 1855, and an act amendatory thereof, approved February 10, 1863.

ART. II. The object of this Association is to raise a fund not exceeding one hundred thousand dollars, by membership fees, contributions, donations, legacies, and otherwise, the interest of which, after deducting necessary expenses, shall be appropriated annually to the relief of those distressed traveling and superannuated preachers, their wives, widows, and children, and the families of deceased members, who may be connected with this Society.

ART. III. The officers of this Society shall consist of a President, Vice-President, Secretary, Treasurer, and five Trustees, to be elected annually by the Society, who together shall constitute a Board for the management of its affairs. The disbursement and investment of the funds of the Society shall be, in all cases, under the direction of said Board; but the annual dividends made by said Board shall be subject to the approval of the Society. The Board shall meet at least one full day before the session of the Conference, and as often as necessary during Conference; and also at any time during the year, on call of any two of its members, provided it be necessary for the security or the investment of the capital stock.

It shall be the duty of the Board to make annually a full and detailed report to the Society of all receipts and expenditures, the amount and condition of the capital stock, and all other matters which may be necessary for a full understanding by the Society of all its doings.

ART. IV. It shall be the duty of the President to preside in all meetings of the Society and of the Board of Managers; but if he be absent, the Vice-President shall preside; and if they should both be absent, then the Society, or the Board of Managers, as the case may be, shall elect a President *pro tem.*

ART. V. The Secretary shall keep a book and record all the doings of the Society and of the Board of Managers.

ART. VI. The Treasurer shall keep a faithful account of all moneys, legacies, and property received, and moneys distributed or invested. He shall open an account with each member of this Society, charging him with his annual dues, and crediting separately the amount paid by each member himself, and the amount of his collections, and of the bequests and donations which he may have secured; and shall report these items, together with the names of all members who shall be delinquent in their annual dues, and the amount of such delinquency, to the Society annually. He shall not pay out any money without an order from the Board

of Managers, signed by the President and Secretary, and, in case of annual dividends to beneficiaries, not without the approval of the Society, which approval shall be stated in said order. He shall give bond, with approved security, in a sum to be determined by the Board, for the faithful management of the funds of the Society.

ART. VII. Any member or probationer of this Conference may become a member of this Society by subscribing to this Constitution; but no person shall be received into this Society at the Conference during which he changes his relation from effective to supernumerary or superannuated.

ART. VIII. Every preacher becoming a member of this Association shall pay fifteen dollars annually—except as hereinafter provided—to be funded by the Board of Managers as capital stock; and all subscriptions, donations, and bequests shall be safely funded, and the interest only paid out for the relief of claimants.

ART. IX. Any member who shall give his note to the Society for the sum of one hundred dollars shall thereby reduce his annual subscription to three dollars. Such notes shall bear legal rate of interest from date, payable annually, and shall be renewable from year to year if the persons giving them so desire; and in case any member against whom the Society holds a note shall become a claimant on its funds, such note shall first be paid out of his annual dividends before such claimant himself, or, in the event of his death, his surviving wife or children, shall receive any of the funds of the Society.

If a member against whom the Society holds a note, or his surviving family, shall become a claimant (or claimants) on its funds, the Board shall retain from his (or their) first dividends a sum sufficient to make the entire amount contributed by such member one hundred dollars, including the amount he may have secured to the Society from other parties; and when the requirements of this article shall have been met, no further payments of any kind shall be required from superannuated claimants, or their surviving wives and children. The sums retained according to this article shall be added to the capital stock.

ART. X. Any member who shall at any time have obtained, either by subscriptions, donations, collections, or bequests, an aggregate sum of thirty dollars, including his own payments, shall thereby reduce his annual payments to ten dollars; and when his total collections shall amount to sixty dollars, his annual payments shall thereafter be reduced to five dollars; and when he shall have secured as above a total of one hundred dollars for the Society, no further payments shall be required of such member; or if the Society holds a note against him, he shall be credited from year to year on his note with the amount he may have secured and paid over as above specified in this article; and when such note is redeemed, he shall thereafter be released from paying any annual subscription; but no credit shall be made on such note for the amount a member may have paid on his own annual subscription.

ART. XI. All dues arising from annual subscription or interest on notes shall be promptly paid to the Treasurer immediately upon the meeting of Conference; and any member neglecting to pay his annual dues for two years in succession shall forfeit his membership and all moneys paid in by him likewise; but a member may be relieved from such

payment, for any given year, if the Society, after hearing a statement of the case, vote to that effect: provided that any member of this Society shall have the privilege of collecting the amount of his annual dues from his friends, or of using for that purpose any funds he may have secured for the Society.

ART. XII. Any member who forfeits his ministerial standing either by expulsion, withdrawal, or location, shall forfeit his membership in this Society, and his widow or children shall have no claim upon the funds thereof; and the Society shall surrender any note such person may have given if he demand it, but shall not return any funds he may have paid into the Society.

ART. XIII. Any member of this Society shall not forfeit any of his rights or claims in consequence of a transfer to another Conference, provided he shall continue to comply with the requirements of this Constitution, nor shall the rights of his surviving family be affected by such transfer.

ART. XIV. An amount sufficient for the support of superannuated members, their wives, widows, and children, and the families of deceased members, shall be estimated by the Board, subject to approval by the Society, and the funds of the Society shall be distributed *pro rata* to the amount so estimated.

Assistance may be rendered to a distressed traveling preacher, provided the Society so determine; in which case the Society shall make the necessary estimate, and such preacher shall share *pro rata* with the other claimants; but in no case shall the amount paid to a claimant, when added to the amount such claimant may have received from the other funds of the Conference, exceed the estimate for the support of such claimant.

ART. XV. It shall be the duty of claimants upon the funds of this Society to inform the Board of Managers, in writing, personally, or by representative, of the amount received from the Conference Stewards, certified by the Chairman thereof.

ART. XVI. The Society shall hold its annual meetings, at the time and place of the sessions of the Annual Conference, for the election of officers, and for the transaction of such business as may come before it. The Society shall meet on the second day of the session of the Conference, when the Board shall make their annual report; and the Society may meet as often thereafter during Conference as may be necessary for the completion of its business. The old Board of Managers shall continue in office till the adjournment of Conference.

ART. XVII. It shall be the duty of the members of this Society to use all becoming diligence to raise, by subscriptions, donations, and bequests, the means necessary to accomplish the objects hereinbefore declared.

ART. XVIII. All persons, on application to the officers of this Society to borrow money, shall secure the payment of the same by two responsible names, as security to each loan for any amount of two hundred dollars or less, and all sums over two hundred dollars shall be secured by mortgage on imperishable real estate, the cash value of which shall be double the amount borrowed, and the product of which exceeds the interest; or the funds may be invested in United States stock.

ART. XIX. The corporate seal of this Society shall be a metallic impression with the following words and letters, to-wit: "The Preachers' Aid Soc. N. Ind. Conf. M. E. Church."

ART. XX. This Constitution may be altered or amended at any regular meeting of the Society by a two-thirds vote of the members present.

ART. XXI. Any person, except members of this Conference, who shall pay to this Society the sum of five dollars shall thereby be constituted a member for one year from the date of such payment; and any person who shall pay at one time the sum of fifty dollars in cash, or a note payable not exceeding ten years from date, and bearing legal interest payable annually, shall thereby be constituted a life member; and any person who shall pay as above the sum of one hundred dollars shall thereby be constituted a life patron. Such persons shall be entitled to participate in all the proceedings of the Society while members or patrons.

ART. XXII. In the event of the division of the funds of the Society known as the Preachers' Aid Society of the Indiana Conference of the Methodist Episcopal Church, by which this Society shall come into the possession of any part of the capital stock of said Society, the proceeds of such funds thus received shall be applied in accordance with the charter and Constitution of said Society; and nothing in this Constitution shall be so construed as to conflict with such appropriation. This article shall also apply to the legacy left to the Society by James Harmon.

NEW BOOKS

PUBLISHED BY POE & HITCHCOCK,

METHODIST BOOK CONCERN, CINCINNATI, OHIO.

The Religion of Childhood; or, Children in their Relation to Native Depravity, to the Atonement, to the Family, and to the Church. By REV. F. G. HIBBARD, D. D. (Printed for the Author.) 12mo. 411 pp. $1.25.

Life Among the Choctaw Indians, and Sketches of the South-West. By HENRY C. BENSON, A. M., of the California Conference. 12mo. 314 pp. 85 cents.

Near a score of years ago, Professor Benson, then a young man, was my colleague in labors among the Indian tribes upon the south-western frontier, and subsequently for a number of years associated with me as a member of one of the Indiana Conferences. For some time previous to his transfer to California, he had filled the chair of Greek Language and Literature in the Indiana Asbury University. He is now presiding elder of a district in California.

It would be unreasonable to expect that this book should kindle in any other heart the emotions caused in my own, in retracing upon its pages the scenes of past life, many of them forgotten; and, for reasons which will be obvious to the reader, it might not become me to eulogize the work. But I will say, in behalf of this production of the pen of my esteemed fellow-laborer, at the pages of which I have but glanced, that a perusal will well repay our mutual friends and the friends of missions, who love to follow their missionaries through their frontier toils and triumphs. Professor Benson is a close and accurate observer, a chaste and spirited writer, and occupied, as his field of personal observation, one of the largest and most interesting tribes of aboriginals upon our border, with a somewhat extended intercourse among the surrounding tribes. Much reliable information may be gained as to the character and habits of this interesting people, *the bravest of the tribes*, but whose boast is that they "never shed a white man's blood." The volume is unpretending, gives a just view of the common, every-day scenes of missionary life, abounds with rich incidents, well related, and all is imbued with the spirit of a pure Christianity.

Glenwood, Iowa, Feb. 14, 1860. WM. H. GOODE.

It is well written, and exceedingly interesting. Mr. Benson's missionary labors among the Indians rendered him thoroughly familiar with their life and character, and he reveals the whole to us with a detail and reliability which can not fail to make his book most readable and popular. Bishop Morris introduces the volume with a preface, which indorses its narrative.—*Christian Adv. and Jour.*

This book is the result of the writer's missionary life and labors among the Indian tribes of the South-West. Having just read the life of Gen. Samuel Dale, by Col. Claiborne, where Indian character is described by a Southern man and a citizen, who spent his life among them, we were glad of the opportunity to read an account from a Northern man and a preacher, who had been sent among them. It is a book of interesting sketches.—*N. O. Chris. Adv.*

An interesting and instructive history of the largest and most hopeful Indian tribes on the continent, of whom not a single volume has heretofore been written. Their history, advancement in religion, and arts of civilized life, and future prospects, are herein set forth. We heartily commend the work to the reader.—*Rich. Chris. Adv.*

Colenso's Fallacies: A Review of the Bishop of Natal. By Rev. C. H. FOWLER. With an Introductory Essay by Rev. Henry Bannister, D. D. 16mo. 60 cts.

The author endeavors to meet Colenso's arguments, one by one, in their order. The vigorous style in which it is written, and the absence of any display of erudition, may render it more intelligible to general readers who have no fellowship for Hebrew type. It is, in fact, a popular exhibition of the points involved in this famous anti-Colenso controversy.—*American Literary Gazette.*

Temptation and Triumph; with Other Stories. By VIRGINIA F. TOWNSEND. 12mo. 389 pp. $1.25.

Miss Townsend's contributions to magazine literature have been widely circulated, and are highly popular. They all breathe a good spirit, and are worthy additions to our Sunday school and fireside reading.

Maple Grove Stories for Little Readers. By JUNE ISLE. Ten Volumes. 48mo. In a Box. $1.25.

1. Little Jimmy. 2. Johnny's First Boots. 3. The Flag of Truce. 4. Lucretia and her Garden. 5. Nanny's Epitaph. 6. God's Little Boy that went Home. 7. The Children's Providence. 8. Mamma's Journal from Maple Grove. 9. Happy Hearts. 10. The Bitter Medicine.

Pea Ridge and Prairie Grove; or, Scenes and Incidents of the War in Arkansas. By WM. BAXTER. 16mo. 262 pp. 75 cts.

Rosedale: A Story of Self-Denial. By MRS. H. C. GARDNER. 12mo. 410 pp. $1.25.

This is not an over-strained, flash-sensation novel, but a quiet story of domestic life, aptly and persuasively teaching the great lessons of self-denial and patience. It is written pleasantly and naturally, and can not fail to gratify all readers of good taste. The impression it has made upon us is so favorable that we have no hesitation in heartily commending it.—*Amer. Lit. Gazette.*
